27<sup>th</sup> February 2026

Dear Parents/Guardians,

### **Punctuality for School**

To instil good values and habits, all students are expected to be punctual for school. Students are required to be present in the hall/classroom for the school's flag-raising ceremony at 7.50am, and any arrival after this time will be considered late. Instances of lateness will be recorded and may impact the student's overall conduct grade. Appropriate consequences will be meted out to students who are persistently late.

We appreciate your support in helping your child develop the important life skill of punctuality.

### **Safety of Students**

If you are held up or are late in picking up your child, please remind your child to go to our General Office to seek help. We have also informed our Tampinesians that they should proceed to the General Office if they do not see their parents or caregivers after 10 minutes of waiting at the respective school gates. Please remind your child that he/she should not leave the school premises and loiter in the neighbouring areas outside the school.

We have observed several unsafe practices during afternoon dismissal that require immediate attention. Some parents and family members have been bringing children onto the roadside outside the pedestrian fencing at Gate 1 to bypass the crowded footpath. This poses a significant safety risk to the children and undermines the importance of modelling responsible road behaviour.

Parents and caregivers are reminded to remain strictly within the designated pedestrian areas when picking up their child. Please refrain from waiting along the roadside, standing outside the fencing, or lingering at the gate and along the footpath after dismissal. We seek your cooperation in moving off promptly once your child has been picked up to ease congestion.

Keeping the footpath clear, particularly during wet weather when surfaces may be slippery is critical to ensuring the safety and smooth movement of all students and families. We appreciate your cooperation to help us maintain a safe and orderly dismissal environment for everyone.

### **National School Games (NSG) 2026**

Tampines Primary sports CCAs are in the thick of action at the National School Games 2026. We are proud to say that our student athletes have displayed values such resilience, determination, respect, teamwork and sportsmanship at the national platform. We firmly believe that these are the enduring values that would prepare them for future challenges. We wish them all the best and thank parents for your active support in ensuring that all our athletes have a fulfilling and enjoyable NSG experience.

### **Inter-Class Games League Opening Ceremony**

The school launched the Inter-Class Games League with the Opening Ceremony on 23<sup>rd</sup> February 2026 during the school assembly. The P6 CCA leaders led the P3 to P6 students in reciting the Games Pledge as all participants strive to partake in the league showing good sportsmanship and

displaying our iREAP values. The inter-class games provide a platform for our students to participate in a sporting activity while building team spirit among their classmates in a friendly competition.

### **PSLE and Home-Based Learning (HBL)**

### **Parents Support Group (PSG) Breakfast with School Leaders on Friday, 27<sup>th</sup> February 2026**

The school's Parent Support Group (PSG) play a vital role in fostering strong connections between the school and its community. Acting as a bridge, the PSG will facilitate communication between parents through their representatives and help create a nurturing environment where both students and parents will feel valued and involved. Their involvement will ensure that parents'

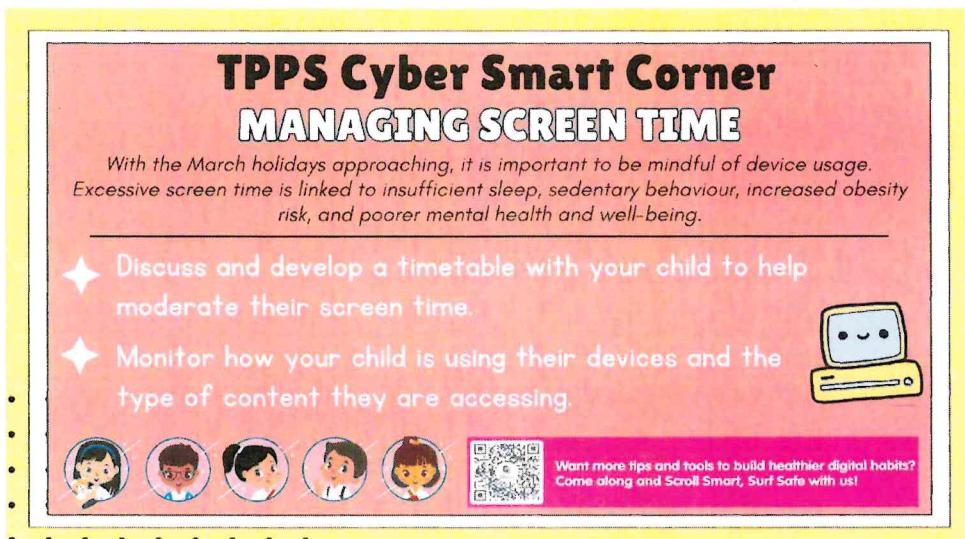

voices are represented, and they will work closely with our staff to achieve shared goals for the benefit of our students and the wider school community.

Through their efforts and collaboration, our Tampinesians will be able to enjoy a wide variety of meaningful and unique experiences that will support their holistic development. We will be holding our first PSG meeting with PSG EXCO on Friday, 27<sup>th</sup> February 2026, and we look forward to working closely with our PSG members in the year ahead.

### **TPPS Cyber Smart Corner**

As the March holidays approach, let us work together to help our children develop healthy digital habits. Managing screen time is essential for their overall well-being, as excessive use can affect sleep, physical activity, and mental health. By setting clear routines, monitoring the type of content accessed, and having open conversations about responsible device use, we can guide our children to be safe, balanced, and cyber-smart users. The following diagram provides suggestions on how you can help manage your child's screen time.

### **Travel over the March School Holidays**

If you intend to travel, please make a travel declaration for your child/ward via Parents' Gateway (PG). Go to [SERVICE > DECLARE TRAVELS]. Please declare your child/ward's travel plan(s), indicating both the country and city of travel, and any city of transit, **by Friday, 13<sup>th</sup> March 2026**. Only one parent/guardian is required to make the declaration. You can continue to submit the travel declarations after the date if there are new or amended travel plans. When planning your travel, please refer to <https://www.ica.gov.sg/enter-transit-depart> for more information and updates.

**If there is a change in travel plan(s) after declaration, please submit a new travel declaration via PG.**

If your child/ward is **not travelling** during the holidays, **no action is required**.

As the school term comes to a close, I hope you will get to spend quality time with your children during the coming March holidays.

Wishing all Muslims Selamat Hari Raya Aidilfitri in advance. May you have a joyous time celebrating with your families and loved ones during this cherished occasion.

Yours in Education,

Mr Hanafi Asmore

Principal
